This is the best platform I have ever seen in this world of UPSC. It is a wonder how such a quality content is being delivered by Santosh sir at a low cost. And his optima sessions are really adding a gilt edge to our preparation. Thank you so much for this initiative sir. Just I invite all the UPSC aspirants to be a part of this wonderful and enriching initiative.

Optima courses are amazing. Santosh sir provide more than what he promises. The sessions, tests and notes are streamlined in a way that not only caters to UPSC needs but also adds confidence and satisfaction to your preparation. There is neither any FOMO nor any time wasting in irrelevant topics. Regular sessions and most importantly revision

or questions too. 10/10 it's a must for any serious aspirant.

Test series and optima daily sessions are awesome. OPTIMA compilations and optima tests are super. one Just need to dedicate to the plan made by santosh sir and it will sure shot give positive result. Finish OPTIMA TESTS and FLT tests. It will give more than 50 questions, as per last 2021 paper.

This is probably the best program in the country. No coaching institute will guide you the way sir is doing. This is probably the only program where mentor is putting more efforts than aspirants. ANYBODY WHO ATTENDS REGULAR SESSIONS, FOLLOWS NOTES AND TESTS WILL BE ABLE TO CRACK ANU COMPETITIVE EXAM. IF SOMEBODY IS UNABLE TO CRACK IT, THE ONLY REASON IS LACK OF EFFORT FROM ASPIRANT SIDE. I AM GRATEFUL FOR THIS PROGRAM. LEARNED A LOT.

Being a student and a UPSC aspirant I have hovered over many online mock tests providing websites but the search ended with UPSC test series. Best in their service and support and generally it's designed so perfect that you don't need the real need of service from the customer care executive. The information depth of this site is just mind-blowing and there are a lot of updates and notes with Card related to UPSC exams. The content is good. When talking about its being user friendly then believe that its real user friendly and the user interface is really perfect. The loading time is negligible and the webpage in kb is very low which really helps it to load quickly and without any error. Overall it's perfect and one must prefer Optimaias.com if he or she is in search of a real exam like a mock test.

Generally in test series u will get questions and explanations + all india rankings. But in LAQSHYA/ OPTIMA u will get Questions and explanations (with option elimination techniques)+all india rankings + strategy sessions + OPTIMA NOTES + Monthly CA test+ PPP+ OPTIMA CARDS (for last minute revision) (innovative one not done by others) + Economic survey class+ Option elimination sessions+ OPTIMA Marathon sessions of VERY IMPORTANT topics (bonus one).... and all these at budget friendly cost. One can avail all these only at Santhosh sir's OPTIMA. Sir always do one step ahead than what he promised. My only request is sir kindly provide questions.pdf earlier atleast for FLT. Really he is KRISHNA in the battle field of UPSC for Aspirants (Arjuna). Aspirants can trust him blindly.
